- Provide a training environment that allows each committed player to maximize his/her potential.
- Provide training sessions that are fun, age appropriate, challenging, creative, innovative and consistent with the trends of modern day soccer.
- Instill each player with a greater appreciation of the sport, self-confidence, accountability, and responsibility.
- Maintain a staff of highly qualified coaches and provide continued coaching education opportunities for their personal and professional growth as well as the club's.
- Treat all participants with respect and fairness, valuing diversity, and taking individual responsibility to realize our personal and club potential.
- Focus on communication: within the club to ensure that all players understand their personal importance and needs and that their families are well informed of schedules, requirements and the club's player development philosophy; and to the outside community to promote our club through its successes.

START OF SEASON: All BSC Competitive teams will commence training the week of August 7th, 2023. Some of our teams will kick off their season by participating in a tournament on “Labor Day” weekend.

END OF SEASON: Once teams are done with Louisiana Open Cup, Bob Abbot Cup, President’s Cup, State Cup and/or the Regional tourney, their season will be over. They will not participate in any tournament thereafter without the permission of the Director of Coaching. Rationale – we want to reduce the risk of “burn out” amongst the players and parents. We know that sometimes coaches and parents feel a void at the end of the season, but that is not a good reason to continue to play. Players need time off in order to progress and not get bored with the game. We encourage each team to have an end of season function at which time the coach should provide the team with an overall team assessment, individual player evaluation, off season training options, tryout information, etc.

PLAYING TIME: Playing time in the competitive programs will vary based on the age and level of the team/competition. 2013 (U11), & 2012 (U12) Teams: It is advised that players will play at least 50% of all game minutes in a season, but this is to the coach’s discretion. This may mean that they play less or more any given week, but that overall their playing time should be approximately 50% of the team’s minutes played. This may change based on practice attendance or other issues that may come up throughout a season. Playing time for players playing at the 2011 (U13) and above level will vary based on team level and age.

2011 (U13) Gold Teams: The 2011 (U13) year is a year of transition to a bigger field, larger rosters, and physical growth for some players. With this in mind, 2011 (U13) Gold level players will be guaranteed to play approximately 25% of all game minutes in a season. Players may play less or more any given week as deemed appropriate by the team coach. As always, practice attendance, effort, and other considerations will be taken into account.

2010 (U14), 2009 (U15), 2008 (U16), 2007 (U17), 2006 (U18), & 2005 (U19) Gold Teams: There is no guarantee of playing time at any time. Gold level players are expected to challenge themselves at all times and compete for playing time. Our Black level teams will attempt to gain a result from each game. Playing time is determined by the coach and can be based on situations, matchups, need for a result, or many other factors. As always, practice attendance, effort, and other considerations will be taken into account.

2011 (U13) 2010 (U14), 2009 (U15), 2008 (U16), 2007 (U17), 2006 (U18), & 2005 (U19) Navy Teams: Players should play in at least 50% of a team’s minutes played in a season. In any given game, there is no playing time requirement, but rather throughout the whole season. As always, practice attendance, effort, and other considerations will be taken into account.

PLAYERS AND COACHES EVALUATION: Our coaching staff is required to provide each player with a written evaluation in the middle and at the end of the season. Each family is asked to submit a coach's evaluation at the end of the season. Evaluation will be emailed to each family. Both of these evaluation forms can be found on our website. The player's evaluation provides feedback to players and their families on each player's present ability level. The coach's evaluation enables us to assist our individual coaches as needed. Families can print and mail in the coach's evaluation if that method is preferred.

PRACTICE (TRAINING FREQUENCY): In general, we have two practice time slots a) **5:00pm – 6:30pm** and b) **6:30pm – 8:00pm**. Teams typically train 2-3 times (Monday/Wednesday or Tuesday/Thursday) a week for 1.5 hours with game(s) on the weekend (coach's discretion). However, there is no prescribed amount of training sessions for any one team. The frequency of training sessions depends on what is needed for that particular team and coach to further their development. Players may train with a team in an age group above or below his/her current team. Player's must first obtain permission from our DOC, Holly Moran, to train with another team. Our coaching staff will develop training sessions based on the individual and collective needs, ability and playing personalities of their respective team, as well as the club's training priorities for that particular age level (*see training priorities*). Our staff also provides individual private training sessions for an additional fee. Email inquiries to hmoran@houmasoccer.com

CLUB EXPECTATIONS

24-Hour Rule:

Parents and coaches should refrain from discussing any potentially conflicting opinions within a **24-hour period**, (e.g. time, player position, substitutions, etc.).

To avoid misunderstanding between parents and coaches (and club), it is highly recommended that all staff coaches:

- Know the club rules and abide by them.
- At every opportunity, meet and explain to parents (e.g. at your parent meetings) the restrictions that are placed on you as a coach for a particular age group.
- Prepare a fair substitution schedule before each game and follow it as best you can.
- Meet with parents periodically to inform them about the dynamics within your team(s) and how the team is evolving. More importantly, meet just to educate them about the game in general.

We ask that all team issues or concerns be addressed in the following steps:

- **First** – Direct communication with the **Head Coach**
- **Second** – Communication with the **Director of Coaching and Director of Soccer Operations**, Holly Moran and Gabrielle Erny, if issue is not resolved
- **Third** – File formal written grievance as outlined in BSC by-laws, if issue is not resolved.

Practice Dress Code (players):

All players practicing twice a week should wear the team practice t-shirts. If a team practices three times a week, the third day is optional as far as color or type of shirt. Finally, all players must wear shirts at practice (**Absolutely NO shirts vs. skins**), and girls may not wear tank tops. Players must practice like they play. They must wear shin guards, which must be fully covered by socks.

Communication:

All club communication from the BSC office will be done via:

- Mass Email, email to entire competitive program, individual team, managers and coaches.
- Mass text, text to entire competitive program, individual team, managers and coaches.
- Announcement banner posted on our website

Practice Cancellation: In case of inclement weather, families will be notified via:

- Mass Text
- Posted on our Facebook page
- Cancellation at the field (in the event we did not have the opportunity to cancel practice ahead of time)

Team Travel Procedure:

Team chemistry is vital to any team's overall success; with this in mind and the lack of social interaction amongst our players/teams we must provide every opportunity for player interaction away from the field. As our teams continue to travel in an effort to seek higher levels of competition, it is recommended that:

- Curfew is 10:00 across the board during travel - coaches can adjust times depending on the competition schedule
- Coaches will impose appropriate consequences for any player who breaks curfew and inform parents of the infraction and the consequence thereof
- Have the team eat all meals together
- Do all other social and recreational activities as a team.

Team Expenses and Travel Procedure:

The coach's total hotel expenses for any given trip will be paid from the team fees. This includes any travel outside of the Houma area.

USE of Foul/Abusive Language:

BSC will not tolerate the use of foul/abusive language. If a player uses inappropriate language towards his/her teammates, opponents (players/parents) and or referees:

He/she **MUST** have a one on one conference with the coach

He/she **MAY** be removed from the game.

If this type of behavior persists, the player **CAN** be removed from the team.

**BSC Financial Commitment:
